OUR HIRING REQUIREMENTS

We expect our team members to be courteous and friendly - every customer gets a smile and a welcome. We want our customers to feel great about their visit and our serving team is a huge part of making that happen. We expect you to treat everyone, especially your serving teammates, with professionalism and respect. We want you to have fun at work, but at the same time, we expect you to behave - we tolerate no horseplay and no harassment of any kind directed towards customers, other team members, or anyone else you encounter.

As much as we'd love to allow everyone the flexibility to work whenever is most convenient for them, the reality of our business is that most of our customer traffic occurs in the evenings and during the weekends, especially weekend nights. So those are the important times when we need you to be available to work so that our customers get the great service that they expect.

School responsibilities should come first, so we'll be as flexible as possible in scheduling shifts around your school or sports schedule. In return, we ask that you be flexible in understanding that if the weather is cold or rainy, or business is just slow, we may need to cancel some shifts.

In order to form a work environment that is productive, free of distractions, and in compliance with food health and safety guidelines, cell phones are not permitted to be used while working. You will be provided with a safe place to keep your phone and other belongings. If there is an emergency, you can be contacted through the Chloe's Creamery business phone number.

I've read, understand, and agree to these requirements:
